

Lactose-free Butter Block 250g

Now you can enjoy the butter you trust most lactose-free. The creaminess and the flavour of the Central Lechera Asturiana butter for those who are lactose intolerant or those who do not want to include this sugar in their diet.

This lactose-free block of butter from Central Lechera Asturiana is made with only natural ingredients. No artificial additives or E-s, only milk from Central Lechera Asturiana cows. Central Lechera Asturiana also takes care of the product from the origin. All of Central Lechera Asturiana's livestock are naturally fed and treated with care by Central Lechera Asturiana's farmers. This is the only way to achieve the best milk to bring out characteristic flavour of Central Lechera Asturiana's butter and an unparalleled quality to each and every one of the dairy firm's products.
