

Lactose-free Sliced Cheese

Central Lechera Asturiana wants everyone to be able to enjoy its dairy products, that's why it has created lactose-free sliced cheese so that lactose intolerant people can also enjoy cheese. It is a fatty lactose-free mature cheese, creamy and tasty, and makes you feel good. Also, its ingredients are 100% natural: cow's milk, rennet, salt, ferments and a natural preservative from egg.

This lactose-free sliced cheese provides all the nutrients of milk (calcium, protein, etc.), but it's lactose-free, so it feels good. You can find it in the fridge of your trusted supermarket, and it can be distinguished by its purple colour. It comes with a convenient 120 g resealable container and is packed in a protective atmosphere, with 8 very practical slices for your sandwiches. Enjoy!

Ingredients: Pasteurised cow's milk, salt, rennet and lactic ferments (milk). May contain traces of egg.
