

Whipping Cream 35% Fat 200ml

The creaminess of Central Lechera Asturiana whipping cream makes it perfect to obtain perfect and firm peaks. You can use it to make the most delicious recipes, decorate your cakes and enjoy delicious 100% cream with a special texture to go with your favourite treats. For an optimal result, the cream should be very cold when you whip it, less than 5°C. The whipping cream 200 ml has 35.1% fat, with all the flavour of conventional cream.

You will find the whipping cream 200 ml in your local supermarket in a recyclable blue container with a screw-top cap that makes it convenient to store and keeps longer in the fridge so you can enjoy it longer. It also has a non-drip pourer, so you don't waste a drop and bring out the best of all your recipes.

Ingredients: Cream (milk) 35.1%, milk proteins and carrageenan, an artificial stabiliser that ensures uniform texture of the product when it is at room temperature in stores.
