

0% Skimmed Lactose-free Milk Bottle 1.5 L

Lactose-free skimmed milk 0% in a 1.5 L format doesn't contain lactose, so it's suitable for people who have an intolerance to this disaccharide. It is also fat free and only has 33 kcal per 100 ml. A perfect choice for those who take care of themselves and who also have an intolerance or digestion problems.

The 1.5 L bottle is perfect for families for whom the one-litre Tetrapak carton is too small. The bottle format is lightweight and includes a non-drip cap that helps to serve the product and improves conservation in the refrigerator once the container has been opened.

Lactose-free skimmed milk 0% 1.5 L is as good as all Central Lechera Asturiana products. This is because the dairy company always respect the origin, takes good care of the livestock and only uses 100% natural ingredients. Lactose-free skimmed milk 0% contains no artificial additives or E-s. Only lactose-free skimmed milk and nothing else!

Ingredients: lactose-free skimmed milk 0% fat AND NOTHING ELSE.
