

Semi-skimmed Lactose-free milk 1.5 L

Lactose-free semi-skimmed milk 1.5 L is especially designed for families who regularly enjoy lactose-free semi-skimmed milk. Its practical screw-top cap is convenient for serving the milk without dripping. It's easy to store and conserve.

Lactose-free semi-skimmed milk 1.5 L from Central Lechera Asturiana owes its delicious flavour to the fact that it only contains 100% natural ingredients. It has no artificial additives or E-s. It also retains all the benefits of your regular milk: nutrients, vitamins and minerals.

This milk is suitable for people who have a lactose intolerance. Since its sugars galactose and glucose are in free form and not forming the disaccharides that people who are lactase deficit cannot digest.
