

0% skimmed lactose-free milk 1 L

0% skimmed lactose-free milk has all the properties of Central Lechera Asturiana milk but with no fat and no lactose. This milk is designed for those who don't digest lactose well and are also concerned about taking care of the fat content they consume on a daily basis.

Like the vast majority of Central Lechera Asturiana products, 0% lactose-free milk has no additives or artificial ingredients. Check the label on the front of the container to verify that only 0% lactose-free milk is used, and nothing else. With the Central Lechera Asturiana quality guarantee.

You can find 0% skimmed lactose-free milk in a one-litre Tetrapak carton format, a convenient and functional choice. Look for this format in your trusted supermarket, you can buy it individually or in packs of six. All designed to adapt to the consumption needs of your home.

Ingredients: skimmed milk lactose-free 0% fat AND NOTHING ELSE.
